

“Oh! The weather outside”

(Songwriter: Nadia Moore – Arranged by: Shawn Downey)

I

Oh! The weather outside
it feels so cold outside
But deep inside in my heart
I feel so warm cause you’re here with me

II

It’s the time of the year
When I get so excited
But, what makes me more excited
Is that we’re finally together

III

This is a dream come true
Watching the snow with you
Infront of the fire place
With coffee in our hands

Chorus:

Oh! The church bells are ringing
And the people are praying
Lots of children are playing
I feel the joy they’re bringing

IV

I feel so giddy being with you
I’ve been waiting so long for this
I’ll cherish the time with you
So, stay with me forever

(Instrumental, Repeat II, Repeat III, Chorus, Repeat IV twice)

Oh, I’ll cherish the time with you
So stay with me forever (2X)

Oh! The weather outside,
Oh! It’s so cold outside
I’ll just stay inside
